

# Public Challenge

**This ex-street gang member has agreed to a public challenge to make US\$100,000 from the Internet in 4 days using only a laptop computer and an Internet connection? Will he succeed?**

It's never been done before. And you can watch it 'LIVE' at the **World Internet Mega Summit**, the world's biggest Internet business event! Here on **26th~29th May 2007, 9am~9pm at Singapore Expo, Hall 2**

**OVER 3250 TICKETS SOLD! HURRY!**

World famous internet marketing expert, **Stephen Pierce** will attempt to make US\$100,000 and raise money to feed 1 million starving children from the internet in 4 days from the stage, in front of you. **The best part?** You'll get to see EVERY step LIVE as you witness how Stephen uses the Internet to:

- Promote a brand new website **from scratch**.
- Generate **hundred of thousands of dollars** inside **4 days** selling **NOTHING** at all (once you see how this is done you'll be stunned)
- **Process the money instantly** so you can see how much money is made LIVE from the Internet.
- Build a list of tens of thousands of customers **WITHOUT spending a cent on advertising.**
