**Ways to Strengthen Your Marriage**

*Article by Roman Zazulak*

Marriage is one of the most important institutions and while being married is hard work and can have lots of ups and downs, there are many good reasons to be married. If you are experiencing some bumps in the road, here are some tips on ways to strengthen your marriage.

Nobody said that marriage is easy; in fact it takes a lot of work to stay committed, satisfied and interested in another person for such a long period of time. While people can grow apart throughout the years, you should always keep in mind and focus on the things that keep you together.

Another way to strengthen your marriage is to come up with a routine that is pleasurable for both you and your spouse. For instance, make sure you have breakfast each day with one another or make a phone call to one another during the work day to tell the other that you care about them. You can also plan
